# CERTIFICATE

Number: **B-00058-25**

Manufacturer: OPOP s.r.o.  
Zašovská 750  
757 01 Valašské Meziříčí  
Czech Republic

Company ID No: 14091704

Product: Hot-water boiler

Type designation: OPOP NATURO 16 (H516 \*)

Specification of the product: see Page 2

The Engineering Test Institute, Public Enterprise, hereby certifies that the initial product type testing of the product concerned has been performed in compliance with the requirements of Section 7 (2) of Government Regulation 163/2002 Coll. laying down technical requirements for selected construction products, as amended by Government Regulation 312/2005 Coll., Government Regulation 215/2016 Coll. and Government Regulation 119/2024 Coll., with a satisfactory result.

Normative documents applied:  
ČSN EN 303-5+A1:2023, ČSN 06 1008:1997.

Certification scheme applied:  
SZÚ-1a:2020.00 (based on Scheme 1a ISO/IEC 17067, which is based on testing and inspection).

The present Certificate has been issued on the basis of Final Report on Initial Product Type Testing 30-17495/TZ of 2025-01-17, issued by the Engineering Test Institute, Public Enterprise. The Final Report contains conclusions drawn from the assessments and the product identification data.

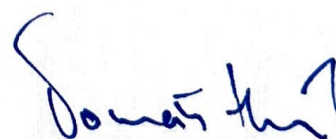

The Certificate is valid **until 2027-01-31**, provided the holder does not violate the rules for using the Certificate.

This Certificate does not substitute for a relevant document issued by an authorized body.

The rules for using the Certificate are specified on Page 2.

Brno, 2025-01-17

\*) Type designation for foreign market

#### RULES FOR USING THE CERTIFICATE

For the purposes of placing the product on the market, this Certificate may be used within the period of its validity and provided the provisions of the standards, according to which the product has been certificated, remain valid. If the normative documents applicable to the certificated product have changed or new normative documents have been issued, the usability of this Certificate must be reviewed.

This Certificate may only be used as a certificate for the product specified on Pages 1 and 2. This also applies to its use in advertising, promotional and commercial materials. This Certificate may be copied in its entirety without written consent of the Engineering Test Institute. Unauthorised or deceptive use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for the product changed without consent of the Engineering Test Institute, Public Enterprise, in such a way that conformity with the standards specified on Page 1 has been affected.

Certification Body requires the holder of this Certificate to keep records of all the complaints and corrective actions relating to the products covered by this Certificate.
